### PUBLIC NOTICE

24<sup>th</sup> January 2025

#### **Sub: Conduct of National Eligibility-cum-Entrance Test [(NEET (UG)] 2025 – reg.**

Please refer to the Public Notice dated 14 January 2025, wherein candidates were encouraged to update their Aadhar credentials and integrate their APAAR ID. APAAR ID (previously called the Academic Bank of Credits or ABC ID) is designed to digitally store a student's academic credits and ensure a comprehensive record of their academic journey.

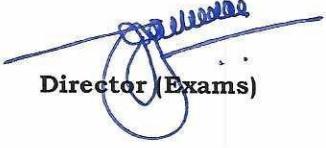

It is clarified that APAAR ID is **not mandatory** for NEET UG 2025 registrations. Aspirants can continue to register for the exam using other available means details of which shall be available in the information bulletin soon.

To assist candidates, a **Step-by-Step User Guide** for creating APAAR ID, along with a video tutorial, is attached for their convenience. Candidates are encouraged to refer to these resources at <https://apaar.education.gov.in>.

For further clarification related to NEET (UG) – 2025, candidates can contact **011-40759000** or

email at **neetug2025@nta.ac.in**. Regular updates will be available on the official website:

### Introduction

This comprehensive step-by-step guide is designed to establish a structured framework for the systematic generation of Academic Bank of Credits (ABC) IDs across diverse platforms.

This guide encompasses the entire process of generating ABC IDs for students through a range of channels, including academic institution portals, DigiLocker, UMANG, the Academic Bank of Credits portal, and the "UIDSE+" mode for bulk ID creation.

Students are provided with multiple registration channels to establish an ABC ID. They have the flexibility to select from the available registration avenues, input their academic information into the designated form, and subsequently generate an ABC ID accompanied by a shareable PDF document.

### Benefits of ABC ID creation

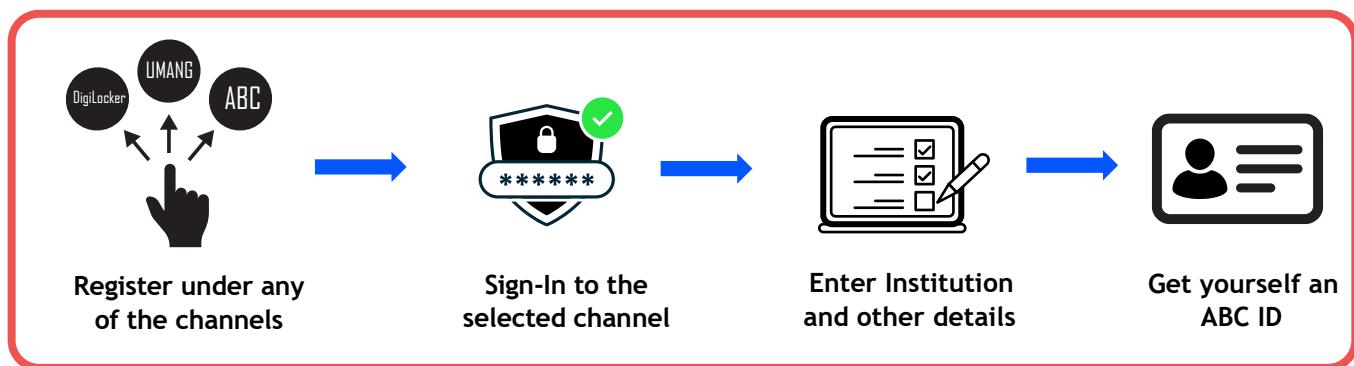

Creating ABC IDs offers numerous benefits, including:

- **Unique Student ID:** The issuance of ABC IDs assigns a distinct and permanent identifier to each student, commencing from Class I. This ensures seamless academic tracking throughout their educational journey.
- **Academic Progress Monitoring:** ABC IDs facilitate continuous and comprehensive monitoring of students' academic performance from the outset.
- **Identifying Weaknesses:** Educators can discern subject-specific weaknesses in students' academic data linked to ABC IDs, enabling targeted interventions for improvement.

- Streamlined Record Keeping:** The ABC securely stores students' academic records, significantly reducing reliance on traditional paper-based records and alleviating administrative burdens.

### Students Mode

The step-by-step procedure for students to create their ABC ID is meticulously outlined below, accompanied by screenshots for enhanced clarity. Before that, the following overview demonstrates the user-friendliness and simplicity of the entire process:

### ID creation via DigiLocker Portal

- An ABC ID can be created in DigiLocker using various methods, including the web portal, mobile app, and the simplest method, QR code scanning
- Step 01: Visit the DigiLocker Portal at <https://www.digilocker.gov.in/>

Academic Bank of Credits has been established on the lines of the National Academic Depository (NAD), in the sense, NAD is the backbone of ABC, where the students' academic data are held and academic awards are stored (i.e. storehouse of academic awards). Despite the fact that ABC enables students to register or commence credit transfer, the final outcomes of credit redemption and issuance of certificates, as well as the compilation of award records, are administered by academic institutions via the NAD Platform. Hence being the owner of academic awards, Academic Institutions must mandatorily register themselves under ABC via NAD

- A confirmation message stating that “ Your request has been submitted” will be prompted next.

# Step by Step Guide

## ABC ID Creation

The screenshot shows the DigiLocker interface for creating an ABC ID. On the left, there's a sidebar with links for Home, Issued Documents, Search Documents (which is selected), Drive, DigiLocker Services, and About DigiLocker. The main content area has a title 'APAAR (ABC) ID Card' with a back arrow. It contains a form for entering document details:

- Name (as per Aadhaar): Lakshmi Sanjeevi
- Date of Birth: 17-09-1987
- Gender: Female
- Admission Year: 2021
- Identity Type: Roll Number
- Identity Value: 636008
- Institution Name: A P J Abdul Kalam Technolog...

Below the form is a checkbox: "I provide my consent to DigiLocker to share my details with the Issuers for the purpose of fetching my documents." A blue button labeled 'Get Document' is at the bottom right. A yellow box on the right contains the text: "Academic Bank of Credits has been established on the lines of the National Academic Depository (NAD), in the sense, NAD is the backbone of ABC, where the students' academic data are held and academic awards are stored (i.e. storehouse of academic awards). Despite the fact that ABC enables students to register or commence credit transfer, the final outcomes of credit redemption and issuance of certificates, as well as the compilation of award records, are administered by academic institutions via the NAD Platform. Hence being the owner of academic awards, Academic institutions must mandatorily register themselves under ABC via NAD".

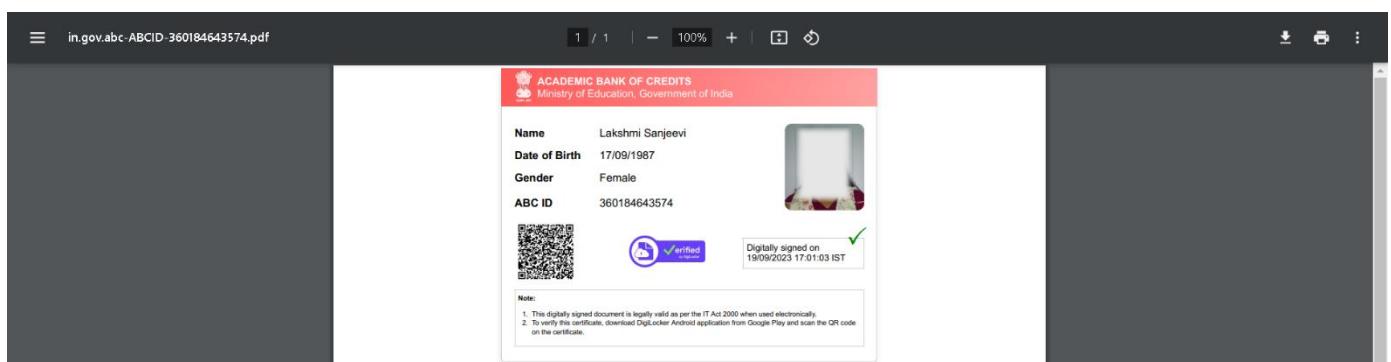

- You will be redirected to the “Issued Documents” section immediately, where your ABC ID gets shown to you as under:

The screenshot shows the DigiLocker interface for issued documents. The sidebar is identical to the previous screenshot. The main content area has a title 'You have 2 Issued Documents'. It lists two items:

- ABC ID Card (360184643574) - Issued by Academic Bank of Credits on Tue, 19 Sep 2023 16:59:49 IST. There are download and more options icons.
- Aadhaar Card (\*\*\*\*\*\*) - Issued by Aadhaar, Unique Identification Authority of India on Sun, 25 Jun 2023 08:22:56 IST. There are download and more options icons.

A blue button labeled 'Get More Issued Documents' is at the bottom right.

- Step 07: Hit the download icon and a PDF of your ABC ID gets shown to you as under

### ABC ID creation via QR Code scanning:

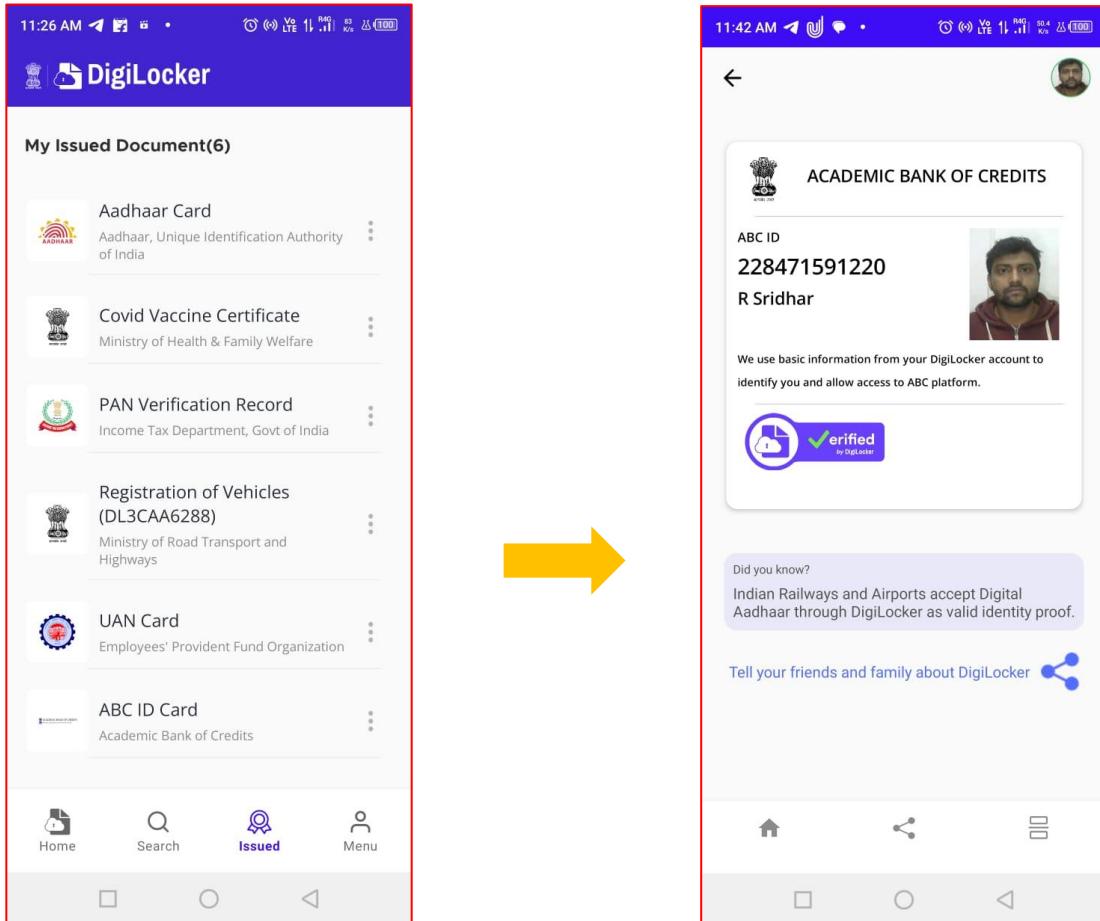

- ABC ID creation via QR Code scanning is a straightforward approach and the simplest one.
- Step 01: Scan the QR Code → you will be redirected to DigiLocker app → Once you're logged in, you'll find a form that already contains your Name, Date of Birth, and Gender prepopulated. Next, choose the Admission year, your Identity Type, enter your Identity value, and select your Academic Institution from the provided dropdown list.
- Step 2: To complete the process, simply click the "Get Document" button, and you'll witness your ABC ID being generated or fetched as shown in the second screenshot.

The figure consists of two screenshots. The left screenshot shows a mobile application form titled 'Academic Bank of Credits'. It includes fields for Name (R Sridhar), Date of Birth (07-01-1986), Gender (Male), Admission Year (2022), Identity Type (dropdown), Registration Number (dropdown), Identity Value (6661234), and Institution Name (A PJ Abdul Kalam Technological University). At the bottom is a blue 'Get Document' button. The right screenshot shows the DigiLocker app's 'Issued Documents' screen. It lists several documents: 'ABC ID Card' (status: Fetching), 'Aadhaar Card' (Issued by Aadhaar, Unique Identification Authority of India), 'Covid Vaccine Certificate' (Issued by Ministry of Health & Family Welfare), 'PAN Verification Record' (Issued by Income Tax Department, Govt of India), and 'Registration of Vehicles'. Navigation icons for Home, Search, Issued, and Menu are at the bottom.

## Step by Step Guide

### ABC ID Creation

- Step 3: After the ABC ID is successfully created or fetched, you can locate it under the "My Issued Documents" section. To view your ABC ID, simply click on the three dots located on the right side of the entry.

#### ID creation via UMANG Portal

- Step 01: Visit the UMANG Portal at <https://web.umang.gov.in/landing/>

page

- UMANG offers two modes of login one directly via the Login page and secondly using Meri Pehchaan. Login via UMANG is a direct approach where you have to enter a mobile number and security PIN followed by an OTP verification and the Meri Pehchaan login is similar to ABC portal login which we have seen earlier (refer to ID creation via ABC portal)
- Here login via UMANG’s default mode is been discussed. If you are an existing user enter your mobile number and MPIN or you can use the mobile number and OTP login

## Step by Step Guide

## ABC ID Creation

The screenshot shows the UMANG app's login screen. At the top is the UMANG logo with the tagline "One App For Availing Many Government Services". Below it are two login options: "Login with MPIN" (selected) and "Login with OTP". There are input fields for "Enter Mobile Number" and "Enter MPIN". Below these fields are "LOGIN" and "Forgot MPIN??" buttons. A link to "New on Umang - Register here" is visible. At the bottom, there is a button for "Login/Register with MeriPehchan" and a note about MeriPehchan being a National Single Sign-On service.

This site is designed, hosted and maintained by , Ministry of Electronics and Information Technology, Government of India

- Step 02: If you are a new user, click “Register here”, you will be prompted to the following window.

The screenshot shows the UMANG app's registration screen. It starts with a message: "Let's start by verifying your 10 digit mobile number. We will send you an OTP on this number for verification". There are fields for "Enter Mobile Number" (containing "9818671433") and "Enter OTP" (containing "4567"). Below these is a "75 Seconds" timer. A checkbox for accepting the "End-user license agreement(EULA)" is checked. At the bottom is a "Register" button and a link to "Already have an account? Login here".

Ask UMANG

- Enter your mobile number and hit the “Get OTP” link, an OTP will be sent to your registered mobile number. Enter the received OTP

# Step by Step Guide

## ABC ID Creation

The screenshot shows the UMANG registration process. It starts with a header featuring the Indian Government logo and the Digital India logo. Below this is the UMANG logo with a hand icon. A message says, "Let's start by verifying your 10 digit mobile number. We will send you an OTP on this number for verification." There are fields for "Enter Mobile Number" and "Enter OTP". A "Get OTP" button is next to the OTP field. Below these fields is a checkbox for accepting the End-user license agreement (EULA). A "Register" button is present, and a link "Already have an account? Login here" is at the bottom. At the bottom of the page, there is a footer with the NeGD logo, a copyright notice, and an "Ask UMANG" icon.

This screenshot shows the same registration page after an OTP has been entered. A modal window appears stating, "An OTP has been generated and sent to your mobile number successfully." with a "Close" button. The rest of the page remains the same, including the header, form fields, and footer.

- Step 03: Once you enter the received OTP, you will be directed to the following page, where it asks for setting of the security PIN
- Following that it asks for setting up of the “Account Recovery options” such as alternative number, email address and security questions. You can click the “ask me later “ button

# Step by Step Guide

## ABC ID Creation

The screenshot shows the UMANG app interface. At the top, there's a search bar and a 'My Profile' button. The main banner features the Indian flag, the text 'CHANDRAYAAN', and 'Participate'. Below the banner, there are sections for 'Recommended Schemes', 'Popular Services' (including 'SpotYourTrain' and 'Download e-Pehchan Card'), and 'Bookmarked Services' (which is currently empty). A central dialog box prompts the user to 'Please set your UMANG account MPIN'. It explains that setting the MPIN is mandatory to continue using the UMANG account and that it helps protect against unauthorized access. It includes fields for 'Enter MPIN' and 'Confirm MPIN'. To the right of the dialog, there are sections for 'Trending' services like Jan Aushadhi Sugam, ESIC, EPFO, and Indian Railways; 'Top Rated' services like My Aadhaar and e-Raktkosh; and 'New and Updated' services like J&K Cable Car Corporation and Department of Personnel, Administrative Reforms and Raj Bhawan. At the bottom, there's a 'Profile Completeness' bar at 0% and an 'Ask UMANG' icon.

This screenshot is similar to the one above but shows a different dialog box. The central dialog is titled 'Account Recovery Options' and asks the user to secure their account by setting recovery options. It lists three options: 'Alternate Mobile Number', 'Email Address', and 'Security Questions', each with a checkbox and a 'SET' button. Below these options is a blue 'Ask me later' button. The rest of the interface is identical to the first screenshot, including the banner, service sections, and sidebar.

Below this is a small illustration of a teacher standing and pointing at a whiteboard while students sit in front of him. The main form area contains four input fields: 'I am a student at...' (dropdown), 'Admission Year:' (dropdown), 'Identity Type:' (dropdown), and 'Identity Value:' (text input). A blue 'Submit' button is located at the bottom right of the form.

- Step 6: For a new user, you shall be prompted with a window, asking Name of your existing Academic Institution, Admission Year, Identity Type (Roll Number, Registration Number, Admission Number etc) and Identity value (Identity Type value Eg: Roll No: 636008)
- Select and enter all the requisite information, and hit the “Submit” button.

### ABC ID Creation

- Upon clicking the “Submit” button, a new ABC student ID account shall be generated as under:

- Click on the “Go to Dashboard” button → you shall be redirected to the ABC student Dashboard.

The dashboard features a user profile picture of a man with a beard. To the right, the text "Hello R Sridhar!" is displayed, along with "0" and "Total Academic Credit Points". A red sidebar on the right contains the ABC ID "228-471-591-220", the name "R Sridhar", and a note about using DigiLocker information. Below the sidebar, a message states "No credit points added yet.." and "Please provide your ABC ID to Academic Institutes to reflect your Credit Points here.".

- Here is a sample representation of a student's credit accumulation from their academic institution against their ABC ID:
